Item #: _____

Model #: _____

Quantity: _____

Specifications

BL Standard Duty Shelving is produced from 18GA type 300 series stainless steel. Shelf edges are turned down 90 degrees and in 45 degrees for safety. Stainless steel gussets are welded to corners and secured to posts with posi-loc screws.

Posts are 1 $\frac{5}{8}$ " OD tubes, 16GA type 300 series stainless steel, with top caps, and adjustable stainless steel feet. All shelving units and components are NSF-approved and all exposed surfaces finished brush satin.

Product Guide

For general purpose use for dry storage or in refrigerators and freezers.

Easily assembled and adjusted. Solid surface design permits quick clean up of spills. Louvers allow uniform temperature distribution.

Stationary units have stainless steel posi-grip adjustable foot inserts.

Mobile units provided with 5" casters. See selection guide and information.
